*In the water the word comes over you....
in the wilderness the word needs to
come out of you!!*

PSALM 91:1

*He who dwells in the shelter of the most high
will abide in the shadow of the almighty*

*If we don't look at the “**context**” of scripture and we just pull out a “**text**” we will end up being “**conned**” by the enemy*

Satan is offering the kingdom without the cross, the making of a king without the suffering servant

Submitting is understanding that Jesus is fighting the fight. We fight not for victory but from victory.
